

Mawbey Brough GP

Mawbey Brough GP is based in Lambeth easily accessible from Vauxhall and Stockwell Tube stations. There is a car park on site if needed.

It has a patient list of approximately 9000 and serves a varied ethnic mix including a large Portuguese population. The practice has a Portuguese translator on site twice a week and also serves the local wet house. There are not many home visits per week and most tend to be within walking distance.

The practice staff comprise of a well established admin team, 4 partners, 2 of whom are trainers for GP registrars and a nursing team. A midwife from St Thomas' also consults in the practice and the district nursing team are based in the building upstairs.

The team encourages a high level of care for their patients and lead by example.
